

## TACF Chapter Membership & Fund raising Agreement

Revised October 20, 1995

- I. All TACF members with mailing addresses in a state that has a state chapter automatically become members of their state's chapter. The TACF basic membership dues are \$40 per year. Upon receipt of at least \$40 from a member in a chapter state, that member is also enrolled as a member of that state chapter. The TACF Treasurer will then encumber \$15 to be rebated to the treasury of the state chapter. The names and addresses of new and renewed members will be forwarded to state chapters monthly.
- II. State chapters may conduct fund raising activities on their own as long as they are consistent with the goals of TACF and its executive director is kept informed.
- III. All inquiries received by the national office from members and non-members which require a state response will be forwarded on a weekly basis to the state chapter for follow-up and involvement.
- IV. All unrestricted cash contributions \$100 or above raised by a chapter will be shared with the national TACF—25 percent to national and 75 percent retained by the state chapter. Land contributions will be considered on a case by case basis.
